

Footer Logo Module for PrestaShop

The Footer Logo Module for PrestaShop is a must-have tool for adding a professional and branded touch to your online store. This simple yet powerful module allows you to display your store's logo prominently in the footer, reinforcing your brand identity and ensuring it stays in your customers' minds as they browse your site.

Designed for flexibility and ease of use, this module integrates seamlessly with any PrestaShop theme and is perfect for merchants looking to create a cohesive and polished store layout.

Module installation

Follow these methods:

1. Using File Structure

- 01.** Unzip (decompress) the module archive file
- 02.** Using your FTP software
- 03.** Place the folder in your PrestaShop /modules folder
- 04.** Connect to the BackOffice of your shop
- 05.** Go to Back Office >> Modules.

06. Locate the new module in the list, scrolling down if necessary.

07. In the row for the new module, click Install.

08. Locate the module again. If necessary, click >> Configure.

09. Once configuration is complete, be sure to test the module immediately to confirm that it functions as planned.

2. Using Back Office

01. Connect to the BackOffice of your shop

02. Go to Back Office >> Modules.

03. Click Upload Module Button

04. Add Module Zip File

05. Click Module Configure Button

06. Once configuration is complete, be sure to test the module immediately to confirm that it functions as planned
